

P&P-1 Section**Subject:-Combined Graduate Level Examination-2017-
final confirmation of vacancies- regarding.**

The Indenting Ministries/Departments/Offices were requested vide Commission's letter dated 30.05.2019 to confirm their vacancy position finally in respect of the different categories of posts which were reported online to the Commission. The portal for confirming vacancies online finally remained open from 03.06.2019 to 14.06.2019.

2. In response to above, 14 Departments have updated their vacancies only. Out of which 3 Departments namely, C&AG for the post of Divisional Accountant, Central Bureau of Investigation for the post of Sub-Inspector in CBI and Ministry of Communications(Department of Posts) for the post of Inspector of Posts, have mailed very minor changes in their vacancies reported earlier. The details are as under:

Name of Post	Vacancies reported earlier	Vacancies reported as on 14.0-6.2019	Details
Divisional Accountant in C&AG	600	600	Vacancies in OH category from 5 to 9 & in HH from 4 to 9 has been increased
SI in CBI	54	52	2 vacancies have been decreased
Inspector of Posts	101	96	5 vacancies have been decreased.

3. **Office of CGDA** has now reported 3082 vacancies for the post of Auditor. Earlier two times when the portal was opened from 01.05.17 to 15.05.2017 and from 09.10.2017 to 23.10.2017, the Office of CGDA did not report any vacancies. Further, as per the Notice of the Examination, the post of Auditor is not identified for VH candidates; however, they have reported 31 vacancies in VH Category also. Against CGLE-2016, they had also reported some vacancies of Auditor in VH category. As the post of Auditor was not identified for VH candidates, therefore, some Regional Offices did not allow the VH candidates to opt for the post of Auditor in CGDA whereas the others allowed the said candidates to opt the said post. This resulted into RTIs and CPGRAMS etc.

4. Similarly, Ministry of Statistics and Programme Implementation have raised their vacancies from 50 to 124 against Junior Statistical Officer. Earlier they had reported 1 each vacancy in the category of OH and HH but now marked 12 vacancies against OH, 16 against HH and 12 against VH. Since the Commission has not declared qualified any VH candidate against the post of JSO on the basis of vacancies received earlier from the MoS&PI, the revised vacancies reported by the Ministry of Statistics and Programme Implementation may **not** be accepted at this final stage. Besides, the 3082 vacancies reported by the CGDA for the post of Auditor may also **not** be accepted **at this belated stage**. It is also relevant to mention that a court case against CGLE-2005 is also underway in Hon'ble CAT, PB, New Delhi on the issue of acceptance of the vacancies for the post of Inspector in Income Tax at last stage by the Commission. Though the vacancies were accepted with the

from pre-page/

approval of DoP&T, yet despite explaining the factual position, the Court ordered an enquiry to be conducted by an Officer not below the rank of Additional Secretary, which is presently being conducted by Additional Secretary(Pers.), Deptt. of Expenditure. (F.No.6-3/2019-P&P-1 refers to). **In addition, the Commission has also not accepted the vacancies of Assistant Accounts Officer and Accountant reported by the C&AG as these were reported at last stage.**

5. Besides above all, the Department of Posts has sent an e-mail at 5.49 PM(AFTER CLOSURE OF PORTAL) reducing their vacancies from 552 to 449. As these are not reported online, therefore, these **may also not** be accepted.

6. Submitted for consideration and approval of the Commission, please.
